BE IT RESOLVED BY THE COUNCIL OF THE CITY OF EUREKA:

## ARTICLE I. General Provisions

### Section 1. Statement of Purpose

This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (Sections 3500 et seq.) entitled "Local Public Employee Organizations," by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations. However, nothing contained herein shall be deemed to supersede the provisions of State law, City Charter, ordinances, resolutions and rules which establish and regulate the merit system, or which provide for other methods of administering employer-employee relations. This Resolution is intended, instead, to strengthen merit, and other methods of administering employer-employee relations through the establishment of uniform and orderly methods of communication between employees, employee organizations and the City.

It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations regarding matters that directly affect and primarily involve the wages, hours and other terms and conditions of employment of employees in appropriate units and that are not preempted by Federal or State law or the City Charter. However, nothing herein shall be construed to restrict any legal or inherent exclusive City rights with respect to matters of general legislative or managerial policy, which include among others: The exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the

methods, means and personnel by which government operations are to be conducted; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

- e. "Day" means calendar day unless expressly stated otherwise.
- f. "Employee Relations Officer" means the City Manager or his duly authorized representative.

dated by an employee, or (3) employee dues deduction authorization, using the payroll register for the period immediately prior to the date a petition is filed hereunder, except that dues deduction authorizations for more than one employee organization for the account of any one employee shall not be considered as proof of employee support for any employee organization. ## ARTICLE II. Representation Proceedings.

### Section 3. Filing of Recognition Petition By Employee Organization.

An employee organization that seeks to be formally acknowledged as the Recognized Employee Organization representing the employees in an appropriate unit shall file a petition with the Employee Relations Officer containing the following information and documentation:

- b. Names and titles of its officers.

  - i. The job classifications or titles of employees in the unit claimed to be appropriate and the approximate number of member employees therein.
  - j. Such written proof shall be submitted for confirmation to the Employee Relations Officer or to a mutually agreed upon disinterested third party.
  - k. A request that the Employee Relations Officer formally acknowledge the petitioner as the Recognized Employee Organization representing the employees in the unit claimed to be appropriate for the purpose of meeting and conferring in good faith.

The Petition, including all accompanying documents, shall be declared to be true and correct based upon the best information and belief by the duly authorized officer of the employee organization executing it, under penalty of perjury.

#### Section 4. City Response to Recognition Petition.

Upon receipt of the petition, the Employee Relations Officer shall determine whether:

- a. There has been compliance with the requirements of the Recognized Petition, and
- b. The proposed representation unit is an appropriate unit in accordance with Section 8 of this Article II.

If an affirmative determination is made by the Employee Relations Officer on the foregoing two matters, he shall so inform the petitioning employee organization, shall give written notice of such request for recognition to the employees in the unit and shall take no action on said request for thirty (30) days thereafter. If either of the foregoing matters are not affirmatively determined, the Employee Relations Officer shall offer to consult thereon with such petitioning employee

organization, and, if such determination thereafter remains unchanged, shall inform that organization of the reasons therefor in writing. The petitioning employee organization may appeal such determination in accordance with Section 10 of this Resolution.

Section 5. Open Period for Filing Challenging Petition.

Within thirty (30) days of the date written notice was given to affected employees that a valid recognition petition for an appropriate unit has been filed, any other employee organization may file a competing request to be formally acknowledged as the recognized employee organization of the employees in the same or in an overlapping unit (one which corresponds with respect to some but not all the classifications or positions set forth in the recognition petition being challenged), by filing a petition evidencing proof of employee support in the unit claimed to be appropriate of at least thirty (30) persons and otherwise in the same form and manner as set forth in Section 3 of this Article II. If such challenging petition seeks establishment of an overlapping unit, the Employee Relations Officer shall call for a hearing on such overlapping petitions for the purpose of ascertaining the more appropriate unit, at which time the petitioning employee organizations shall be heard. Thereafter, the Employee Relations Officer shall determine the appropriate unit or units in accordance with the standards in Section 8 of this Article II. The petitioning employee organizations shall have fifteen (15) days from the date notice of such unit determination is communicated to them by the Employee Relations Officer to amend their petitions to conform to such determination or to appeal such determination pursuant to Section 10 of this Article II.

Section 6. Election Procedure.

The Employee Relations Officer shall arrange for a secret ballot election to be conducted by a party agreed to by the Employee Relations Officer and the concerned employee organization(s) in accordance with its rules and procedures, subject to the provisions of this Resolution. All employee organizations who have duly submitted petitions which have been determined to be in conformance with this Article II shall be included on the ballot. The choice of "no organization" shall also be included on the ballot. Employees entitled to vote in such election shall be those persons employed in regular permanent positions within the designated appropriate unit who were employed during the pay period immediately prior to the date which ended at least fifteen (15) days before the date the election commences, including those who did not work during such period because of illness, vacation or other authorized leaves of absence, and who are employed by the City in the same unit on the date of the election. An employee organization shall be formally

acknowledged as the Recognized Employee Organization for the designated appropriate unit following an election or run-off election if it received a numerical majority of the valid votes cast, a run-off election shall be conducted between the two choices receiving the largest number of valid votes cast; the rules governing an initial election being applicable to run-off election.

There shall be no more than one valid election under this Resolution pursuant to any petition in a 12-month period affecting the same unit.

In the event that the parties are unable to agree on a third party to conduct an election, the election shall be conducted by the California State Conciliation Service and if the State Conciliation Service for some reason is unable or unwilling to conduct the election, the election shall be conducted by the City Clerk.

Costs of conducting elections shall be borne in equal shares by the City and by each employee organization appearing on the ballot.

Section 7.     Procedure for Decertification of Recognized Employee Organization

A Decertification Petition alleging that the incumbent Recognized Employee Organization no longer represents a majority of the employees in an established appropriate unit may be filed with the Employee Relations Officer only during the month of January or any year following the first full year of recognition or during the thirty (30) day period commencing one hundred eighty (180) days prior to the termination date of a Memorandum of Understanding then having been in effect less than three (3) years, whichever occurs later. A Decertification Petition may be filed by two or more employees or their representative, or an employee organization, and shall contain the following information and documentation declared by the duly authorized signatory under penalty of perjury to be true, correct and complete:

- a. The name, address and telephone number of the petitioner and a designated representative authorized to receive notices or requests for further information.
- b. The name of the established appropriate unit and of the incumbent Recognized Employee Organization sought to be decertified as the representative of that unit.
- c. An allegation that the incumbent Recognized Employee Organization no longer represents a majority of the employees in the appropriate unit, and any other relevant and material facts relating thereto.
- d. Proof of employee support that a majority of the employees in the established appropriate unit no longer desire to be represented by the incumbent Recognized Employee Organization. Such proof shall be submitted for confirmation to the Employee Relations Officer or to a mutually agreed upon disinterested third party.

An employee organization may, in satisfaction of the Decertification Petition requirements hereunder, file a Petition under this section in the form of a Recognition Petition evidencing proof of majority employee support, that conforms to the requirements of Section 3 of this Article in satisfaction of the Decertification Petition requirements hereunder.

The Employee Relations Officer shall initially determine whether the Decertification Petition or Recognition Petition, has been filed in compliance with the applicable provisions of this Article II. If the determination is in the negative, the Employee Relations Officer shall offer to consult thereon with the representative(s) of such petitioning employees or employee organization, and, if such determination thereafter remains unchanged, shall return such Petition to the employees or employee organization with a statement of the reasons therefor in writing. The petitioning employees or employee organization may appeal such determination in accordance with Section 10 of this Article II. If the determination of the Employee Relations Officer is in the affirmative, or if his negative determination is reversed on appeal, he shall give written notice of such Decertification or Recognition Petition to the incumbent Recognized Employee Organization and to unit employees.

The Employee Relations Officer shall thereupon arrange for a secret ballot election to be held on or about fifteen (15) days after such notice to determine the wishes of unit employees as to the question of decertification, and, if an accompanying Recognition Petition was duly filed, and, in the event decertification of the incumbent Recognized Employee Organization is voted, the question of representation. Such election shall be conducted in conformance with Section 6 of this Article II.

Section 8. Policy and Standards for Determination of Appropriate Units.

The basic policy objectives in determining the appropriateness of units shall be the effect of a proposed unit on (1) the efficient operations of the City and its compatibility with the primary responsibility of the City and its employees to effectively and economically serve the public, and (2) providing employees with effective representation based on recognized community of interest considerations. These policy objectives require that the appropriate unit shall be the broadest feasible grouping of positions that share an identifiable community of interest. Factors to be considered shall be:

- a. Similarity of the general kinds of work performed, types of qualifications required, and the general working conditions.
- b. History of representation in the City and similar employment, except however, that no unit shall be deemed to be an appropriate unit solely on the basis of the extent to which employees in the proposed unit have organized.

- c. Number of employees and classifications, and the effect on the administration of employer-employee relations created by the fragmentation of classifications and proliferation of units.
- d. Effect on the classification structure and impact on the stability of the employer-employee relationship of dividing a single or related classifications among two or more units.

Notwithstanding the foregoing provisions of this Section, management and confidential employees shall not be included in any unit; supervisory employees may be required to be included in a unit consisting solely of supervisory employees; and professional employees shall not be denied the right to be represented in a separate unit from non-professional employees.

The Employee Relations Officer shall, after notice to and consultation with affected employee organizations, allocate new classifications or positions, delete eliminated classifications or positions, and retain, reallocate or delete modified classifications or positions from units in accordance with the provisions of this section.

#### Section 9. Procedure for Modification of Established Appropriate Units.

Requests by employee organizations for modifications of established appropriate units may be considered by the Employee Relations Officer only during the period specified in Section 7 of this Article II. Such requests shall be submitted in the form of a Recognition Petition, and, in addition to the requirements set forth in Section 3 of this Article, shall contain a complete statement of all relevant facts and citations in support of the proposed modified unit in terms of the policies and standards set forth in Section 8 hereof. The Employee Relations Officer shall process such petitions as other Recognition Petitions under this Article II.

The Employee Relations Officer may on his own motion propose during the period specified in Section 7 of this Article, that an established unit be modified. The Employee Relations Officer shall give written notice of the proposed modification(s) to any affected employee organization and shall hold a meeting concerning the proposed modification(s), at which time all affected employee organizations shall be heard. Thereafter the Employee Relations Officer shall determine the composition of the appropriate unit or units in accordance with Section 8 of this Article II, and shall give written notice of such determination to the affected employee organizations. The Employee Relations Officer's determination may be appealed as provided in Section 10 of this Article. If a unit is modified pursuant to the motion of the Employee Relations Officer hereunder, employee organizations may thereafter file Recognition Petitions seeking to become the Recognized Employee Organization for such new appropriate unit or units pursuant to Section 3 hereof.

Section 10. Appeals.

An employee organization aggrieved by an appropriate unit determination of the Employee Relations Officer under this Article II may, within ten (10) days of notice thereof, request the intervention of the California State Conciliation Service for mediation or for recommendation for resolving the dispute pursuant to Government Code Sections 3507.1 and 3507.3, or may, in lieu thereof or thereafter, appeal such determination to the City Council for final decision within fifteen (15) days of notice of the Employee Relations Officer's determination or the termination of proceedings pursuant to Government Code Sections 3507.1 or 3507.3, whichever is later.

An employee organization aggrieved by a determination of the Employee Relations Officer that a Recognition Petition (Section 3); Challenging Petition (Section 5) or Decertification Petition (Section 7) -- or employees aggrieved by a determination of the Employee Relations Officer that a Decertification Petition (Section 7) -- has not been filed in compliance with the applicable provisions of this Article, may, within fifteen (15) days of notice of such determination, appeal the determination to the City Council for final decision.

Appeals to the City Council shall be filed in writing with the City Clerk, and a copy thereof served on the Employee Relations Officer. The City Council shall commence to consider the matter within thirty (30) days of the filing of the appeal. The City Council may, in its discretion, refer the dispute to a third party hearing process. Any decision of the City Council on the action of such procedure, with or without any decision of the City Council determining the substance of the dispute shall be final and binding.

ARTICLE III. Administration.

Section 11. Submission of Current Information by  
Recognized Employee Organizations.

All changes in the information filed with the City by a Recognized Employee Organization under items a. through h. of the Recognition Petition under Section 3 of this Resolution shall be submitted in writing to the Employee Relations Officer within thirty (30) calendar days of such change.

Section 12. Payroll Deductions on Behalf of Employee Organizations.

Upon formal acknowledgement by the City of a Recognized Employee Organization under this Resolution, only such Recognized Employee Organization may be provided payroll deductions of membership dues and insurance premiums for plans sponsored by such organization upon the written authorization of employees in the unit represented by Recognized Employee Organization on forms provided therefor by the City. The providing of such service to the Recognized Employee Organization by the City shall be contingent upon and in accordance with the provisions of applicable administrative procedures.

Section 13. Employee Organization Activities --  
Use of City Resources.

Access to City work locations and the use of City paid time, facilities, equipment and other resources by recognized employee organizations and those representing them shall be authorized only to the extent provided for by administrative procedures, and shall be limited to activities which shall not interfere with the efficiency, safety and security of City operations.

Section 14. Administrative Rules and Procedures.

The City Manager is hereby authorized to establish such rules and procedures as appropriate to implement and administer the provisions of this Resolution after consultation with affected employee organizations.

ARTICLE IV. Impasse Procedures.

Section 15. Initiation of Impasse Procedures.

If the meet and confer process has reached impasse as defined in this Resolution, either party may initiate the impasse procedures by filing with the other party a written request for an impasse meeting, together with a statement of its position on all disputed issues. An impasse meeting shall then be scheduled promptly by the Employee Relations Officer. The purpose of such impasse meeting shall be:

- a. To identify and specify in writing the issue or issues that remain in dispute.
- b. To review the position of the parties in a final effort to resolve such disputed issue or issues; and
- c. If the dispute is not resolved, to discuss arrangements for the utilization of the impasse procedures provided herein.

Section 16. Impasse Procedures.

Impasse procedures are as follows:

- a. If the parties agree to submit the dispute to mediation, and agree on the selection of a mediator, the dispute shall be submitted to mediation. All mediation proceedings shall be private. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.
- b. If the parties failed to agree to submit the dispute to mediation or failed to agree on the selection of a mediator, or failed to resolve the dispute through mediation within fifteen (15) days after the mediator commenced meeting with the parties, the parties may agree to submit the impasse to fact-finding.

- c. If the parties agree on fact-finding, they may agree on the appointment of one or more fact-finders. If they fail to so agree on one or more fact-finders, a fact-finding panel of three (3) shall be appointed in the following manner: One member of the panel shall be appointed by the Employee Relations Officer, one member shall be appointed by the Recognized Employee Organization, and those two shall name a third, who shall be the chairman. If they are unable to agree upon a third, they shall select by agreement the third member from one or more lists of names to be provided by the American Arbitration Association.

The following constitute the jurisdictional and procedural requirements for fact finding:

- (1) The fact-finders shall consider and be guided by applicable Federal and State laws, City ordinances, and Charter provisions.
- (2) Subject to the stipulations of the parties, the fact-finders shall determine and apply the following measures and criteria in arriving at their findings and recommendations:
  - (a) As relevant to the issues in dispute, the fact-finders shall compare the total compensation, hours and conditions of employment of the employees involved in the fact-finding proceeding with the total compensation, hours, and conditions of employment of other employees performing similar services in public and private employment in the same and comparable communities. "Total compensation" shall mean all wage compensation, including but not limited to premium, incentive, minimum, standby, out-of-class and deferred pay; all paid leave time; all allowances, including but not limited to educational and uniform benefits; medical and hospitalization benefits; and insurance, pension and welfare benefits.
  - (b) The fact-finders shall then adjust the results of the above comparisons based on the following factors:
    - (i) Equitable employment benefit relationships between job classifications and positions within the City.
    - (ii) The pattern of change that has occurred in the total compensation of the employees in the unit at impasse as compared to the pattern of change in the average consumer price index for goods and services, commonly known as the cost of living index.

- (iii) The benefits of job stability and continuity of employment.
- (iv) The difficulty, or lack thereof, of recruiting and retaining qualified personnel.
- (c) The fact-finder(s) shall then determine recommendations based on the comparisons as adjusted above subject to the financial resources of the City to implement them, taking into account:
  - (i) Other legislatively determined and projected demands on agency resources, and
  - (ii) Assurance of sufficient and sound budgetary reserves, and,
  - (iii) Statutory and charter limitations on tax and other revenues and expenditures.
- (3) The fact-finder(s) shall make written findings of fact and recommendations for the resolution of the issues in dispute, which shall be presented in terms of the criteria, adjustments, and limitations specified above. Any member of a fact-finding panel shall be accorded the right to file dissenting written findings of fact and recommendations. The fact-finder or chairman of the fact-finding panel shall serve such findings and recommendations on the Employee Relations Officer and the designated representative of the Recognized Employee Organization. If these parties have not resolved the impasse within ten (10) days after service of the findings and recommendations upon them, the fact-finder or the chairman of the fact-finding panel shall make them public by submitting them to the City Clerk for consideration by the City Council in connection with the Council's legislative consideration of the issues at impasse.
- d. If the parties agreed to submit the impasse directly to the City Council, or if the parties did not agree on mediation or the selection of a mediator and did not agree on fact-finding, or having so agreed, the impasse has not been resolved through such mediation and/or fact-finding, the City Council shall take such action regarding the impasse as it in its discretion deems appropriate as in the public interest. Any legislative action by the City Council on the impasse shall be final and binding.

Section 17. Costs of Impasse Procedures.

The costs for the services of a mediator and fact-finder or chairman of a fact-finding panel utilized by the parties, and other mutually incurred costs of mediation and fact-finding, shall be borne equally by the City and the Recognized Employee Organization. The cost for a fact-finding panel member selected by each party, and other separately incurred costs shall be borne by such party.

ARTICLE V. Miscellaneous Provisions.

Section 18. Construction.

This Resolution shall be administered and construed as follows:

- a. Nothing in this Resolution shall be construed to deny to any person, employee, organization, the City, or any authorized officer, body or other representative of the City, the rights, powers and authority granted by Federal or State law or City Charter provisions.
- b. This resolution shall be interpreted so as to carry out its purposes as set forth in Article I.

In the event employees engage in such actions, they shall subject themselves to discipline up to and including termination and may be deemed to have abandoned their employment; and employee organizations may thereby forfeit all rights accorded them under this Resolution and other City law for a period up to one (1) year from commencement of such activity.

Section 19. Severability.

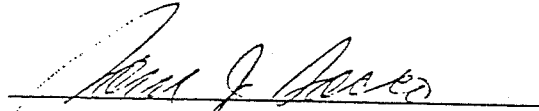

If any provision of this Resolution, or the application of such provision to any person or circumstance, shall be held invalid, the remainder of this Resolution, or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.
